

# HEMOPHILIA ADULT WEEKEND CAMP

SEPTEMBER 5 - SEPTEMBER 7, 2015

Camp HAWC is a completely free, fun, and educational weekend camp for adults with bleeding disorders. The weekend is filled with swimming, fishing, boating, art and crafts, horseback riding, hiking, and many more outdoor activities. Camp also prides itself on first class educational components. Camp HAWC is also great for transition aged individuals as campers are age 18 and over.

Founded in 2005 and ran by Jenny Massey, Camp HAWC has provided a safe atmosphere for adults with bleeding disorders to learn from credentialed speakers while at the same time mentoring each other on coping with the every day problems that they have in common.

The friendships forged here have proven to develop into long term networks of support, trust, and empowerment.

## **Program Information & Volunteering**

For information about Camp HAWC's programming, location, applications and volunteer opportunities, please contact Jenny Massey at 618.806.1801 or visit [www.camphawc.org](http://www.camphawc.org).

## **Funding & Donation Information**
